*Dear Adam,*

*We would like to thank you for the incredible support you gave us in planning the lockdown practices, your advice and patience during the two practices as well as your guidance in how to improve our dismissal procedures which we will put in place as of next Monday.*

*You were truly amazing and we really could not have done it without you.*

*The community is very fortunate to have someone such as you to guide and protect us. Keep doing the exceptional job that you are doing. Your time, effort, expertise and support are greatly appreciated.*

*Have a wonderful day.*

*Sincerely,*
