Dear Adam,

On behalf of the Solomon Schechter Academy families, I want to thank you for your help with maintaining a high level of security for our students.

While your work is accompanied with the sentiment that we hope that we never have to use it or put it to a test, we know that your commitment and dedication to the safety of our children is second to none. We thank you for your attention to detail and your frequent visits to the premises to verify that everything stands up to your standards.

We wish you continued success in your endeavor to protect our community.

Sincerely yours,

Dr. Shimshon Hamerman  
Head of School
